

Celebrating
Hari Raya with
family and friends!

2023

Hari Raya is a joyous occasion after
1 month of fasting for Muslims.

I will start my day by getting ready to go to the mosque to perform prayers.

Daddy, Mummy, siblings, and I
will change into our traditional
clothes and get ready to leave
the house to visit our families
and friends.

When we reach _____'s house, I will

(person)

show eye contact with the people in the house and greet them by saying

"Assalamualaikum".

Assalamualaikum!

Which means, "Peace be unto you."

To show respect and politeness.

Then, we seek forgiveness from one another like mummy, daddy, and grandparents. I can say, "I am sorry _____ for all my wrongdoings. Selamat Hari Raya!"

My _____ will then give me a
(person)

green packet and wish me

“Selamat Hari Raya” too.

I will take the green packet with

two hands, give eye contact and

say "Thank you".

During visitings, I can show interest in others by asking them about their hobbies. I can also talk about my toys and games.

There will also be many snacks and yummy foods to eat!

There will also be games and sparklers.

When I want to play with sparklers,
I will need to ask Mummy and
Daddy's permission by saying, "Can I
play with sparklers?"

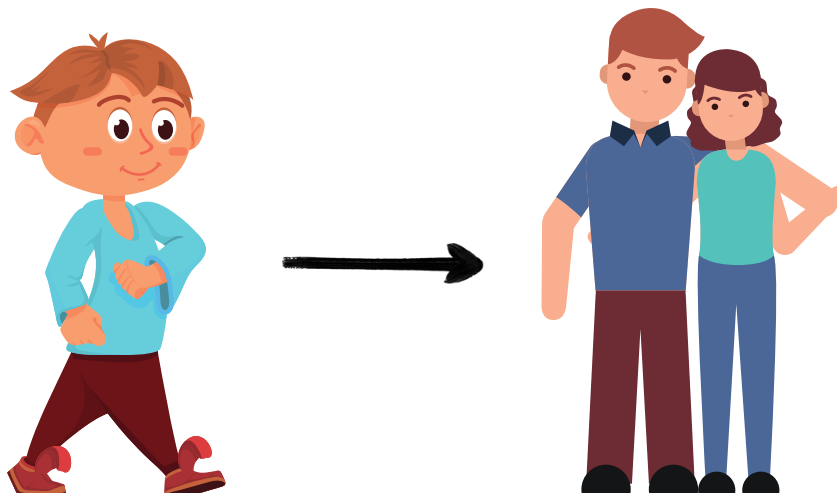

There will be many people in the house, and that can be loud and noisy.

When it is too loud, I can cover my ears and take 3 deep breaths.

I can walk calmly to daddy and mummy

and tell them "It is too loud."

Daddy and mummy can bring me to a quiet place to calm down.

When I am calm, that makes everyone happy.

When they are happy, I am happy too!

Hari Raya is going to be fun.
I am excited for Hari Raya!
